SwiftProx

## SwiftProx PVC Cards with 4000oe HiCo Magstripe

Manufactured with premium quality PVC, SwiftProx cards are specially designed to reduce antenna blemish and improve surface printability while maintaining maximum RFID read range.

Used worldwide in access control applications and compatible with a large variety of 125kHz reader systems, SwiftProx PVC cards bring industry leading quality at affordable prices. Cards include a hi-coercivity 4000oe magstripe capable of encoding 3 tracks of data, ideal for cards in frequent use environments.
