

SwiftProx Adhesive Disc Tags

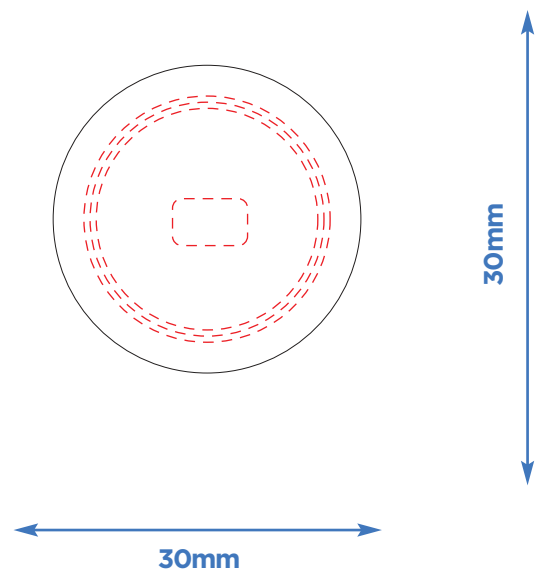

Manufactured with premium quality PVC, SwiftProx Adhesive Disc Tags are specially designed to reduce antenna blemish and improve surface printability while maintaining maximum RFID read range.

A strong 3M adhesive backing allows Swiftprox Disc Tags to be fastened on diverse surfaces and ensures secure, long lasting adhesion. Used worldwide in access control applications and compatible with a large variety of 125kHz reader systems, SwiftProx Adhesive Disc Tags bring industry leading quality at affordable prices.
